

## TERM 2 NEWSLETTER No. 8 - 25TH MAY 2017

### Principal News

*Dear Readers,*

A quick word about the school's core values...**Respect Creativity Endeavour Responsibility and Collaboration**...School-Community values are central to framing high standards and high expectation for the achievement and behaviour of students, staff and parents. They are integral to acknowledging students doing the right thing and for supporting students to reflect on poor choices that they have made and for making things right.

In my view the school values are visible at Black Forest on a daily basis. For example, They were strongly evident at the Week Two assembly, e.g. the organization and set up, behaviour during the National Anthem and the well-rehearsed (and very cute) Room 1 presentation.

I encountered students with buckets and tongs picking up rubbish. They reassured me that they weren't in trouble! They were 'helping out' and with smiles and laughter I saw a boy take a tumble in the yard and several students stopped what they were doing to check if he was okay. Of course things go wrong from time to time

I am looking forward to tomorrow's assembly where students are publically acknowledged with certificates for making positive choices.

Kind regards,

Joy Milward, Acting Principal

#### News in brief

- **Student Free Day next Wednesday, 31<sup>st</sup> May** Teachers will meet with same year level teachers from local schools to view student work samples in Mathematics and come to an agreement on levels of achievement. The aim is to develop consistency of teacher judgement within and between schools so an 'A is an A is an A' in all contexts. Administration staff will be at Unley Primary School to discuss a new date base called the Education Management System
- **Mystery at Magpie Manor** Penny Baker is hard at work, organising for this year's Production to be held on 22,23 & 24<sup>th</sup> August. Stay tuned!
- **Reception Intake 2018** The school is in the process of establishing final reception enrolment numbers for 2018. If you have a Kindy aged child that's ready to start school, please ensure you have registered with Sandy
- **Mylor Camp** The Year 6/7 classes are off to camp next week. The focus of the camp is team building and self-reliance
- **Banrock Family Camp** Families are heading off to Banrock Station next week. This is a long standing event first instituted by past Principal Phil Greaves, we think in 1997. We wish all families a great week-end away and applaud their tree planting and environmental restoration efforts.

## Sports News

Our term 2 sporting calendar has had a brilliant start with two positive results in Year 6/7 Knockout SAPSASA Netball and Australian Rules Football. Our senior girls netball team came up against Edwardstown Primary on Monday 8th May. A brilliant effort from all the girls as our team played incredibly well to beat the team from Edwardstown by a very large margin. We are still waiting to hear who our opposition will be in round 2, but I'm sure our team will be extremely excited about the next challenge sometime before the end of the month.

Black Forest Primary School would also like to congratulate Millie S as our only school representative in this years Adelaide South East Girls Netball Team. The State Carnival will be held during week 6 ( June 5th - 9th ) and gives hundreds of girls the opportunity to play high level netball against other students from all over our great state. Good luck Millie and remember to have fun and improve your skills during 9 games of netball in June.

Our school also entered it's first SAPSASA K.O football team in 3 years with pleasing results. BFPS had to play Colonel Light Gardens Primary School on Friday 12th May in round 1. We had perfect weather conditions and with great skills and teamwork our 19 boys came away with a very large win. Our next battle will be against Concordia College ( Wednesday 14th June ) at Glandore Oval. No doubt all boys will be keen to take their football to another level and even make it through to round 3.

3 boys have also made it into this year's State Football Carnival in week 6. Blake H, Tom M and Jonah Z will be playing in one of South Australia's largest sporting events over 5 days (playing 9 games). They will be representing our school and A.S.E SAPSASA district during this challenging carnival. They will have the chance to meet, challenge and play against many other talented students from 41 districts in South Australia. Congratulations boys and enjoy every opportunity that comes your way during this carnival.

Finally, our school will send its largest ever SAPSASA Cross Country team to Kensington Oval on Friday 26th May. I will report about this event in our next newsletter and would like to wish all of our students the very best as they have been training incredibly hard for over 4 weeks.

Marc Zinndorf  
R-7 P.E Teacher and SAPSASA Coordinator

### ORIENTEERING

This years orienteering championships were very successful last week. Students have been training and learning about maps each Tuesday recess leading up to this event. At the SAPSASA occasion everyone did their best. It was a first ever for the school to have everyone complete their course with no mistakes.

The students that managed to place in their league were: Amelie M came in 3rd, eleven year olds and Jamie C also came in 3rd, twelve year olds. Jamie was followed closely by Tilly P who came in a close fourth. All of the students that placed won an invitation to join the elite arrows team as they show great potential.

Tilly also received one of these. Everyone did their best and it really showed in the results with our times. We will continue to train and learn for the upcoming relays next term.

## Canteen News

---

Sushi is on Monday. Pre-order before 9.30 this Friday morning. The next one for the term will be on 26th June. The canteen is running smoothly despite not having every day covered by a volunteer. Thank you so much to those of you that are regulars on my roster. For those that are able help out this term please contact me. There is always something to do but remember you need a current Police Clearance and RAN training.

Wednesdays at recess I sell marinated chicken wings for \$1 a serve. These are marinated on site, with no sugar, and are a hit with the kids. I cook fresh fruit muffins each day and sometimes banana bread which the children devour. Roasted pumpkin soup was enjoyed the other day and I will cook chicken and sweet corn at some point.

If you have ordered lunch online via the Qkr app and your child is ill you can ring and postpone the meal for another day. If I do not receive a call the meal will still be prepared and there will be no refund.

Corina
