## Leadership News

Welcome back to school. It must be said that staff and students look refreshed and ready for another term of solid teaching and learning. The new carpet laid during the holidays in the Junior Primary and Year 6/7 classrooms has made such a difference to the appearance of the rooms. Can't wait for the lighting upgrade and painting!

### Community Garden Kitchen Café

The school and its Governing Council have put forward an idea for funding through the government's Fund My Neighbourhood initiative for improving local neighbourhoods. Voting for the best ideas began on Wednesday October 18. Our idea is for a wood fired pizza oven/ outdoor cooking and eating area to complement the kitchen garden.

Voting is now open!

Our idea "[Kitchen Garden Community Cafe](#)" is now available for voting on the Fund My Neighbourhood website. View the proposal via the link above, or at [fundmyneighbourhood.sa.gov.au](http://fundmyneighbourhood.sa.gov.au)

The public will be able to vote for ideas from 12 noon on 18 October 2017. Please vote for Black Forest and spread the word.

### Enrolments and Class Placement 2018

Black Forest Primary School is about to begin the process of allocating students to new classes for 2018. In order to support this process, we are seeking all families to complete an enrolment intention form. This allows the school to accurately determine the number of classes and teachers required in 2018.

The form has been sent home with the eldest child in each family and was also in the previous newsletter. Parents with specific concerns regarding their child's learning, social, emotional or other needs are encouraged to submit any considerations online at <https://goo.gl/forms/ftUiTvTBlpmZkMj32>,

or delivered to the Front Office in writing in a sealed envelope marked "**CONFIDENTIAL: Joy Milward**".

# ROOM 19 POETRY

## Hamish: I got out for a duck

I got out for a duck  
Going to club cricket for the first time  
Oh no! I'm scared going onto the pitch  
Tick tock my brain goes as I am waiting for the first ball  
Ow, can the time go any quicker?  
U know that you aren't going to get out he says to himself  
The ball goes past me and ends the over  
Four, four, four the other batsman

### at the crease go's

#### Oo we ran 2 I can't get on strike

Run says the other batsman  
Awesome I'm on strike  
Duck as the ball flew above my  
head  
Ugh! End of the over still no runs

## Lucy's Tanunda Poem

I loved Tanunda,  
We went with Sienna, Peyton, Shona, Dave, Mum, Dad,  
Milla and Ellie.  
Ellie, Sienna and I found a scary chicken at the  
playground.  
Now I am sad because I miss it there,  
Tanunda was so, so much fun.  
The go-karts were fun,  
Once I got a free ride because I won a challenge  
The ice-cream shop was terrific,  
How we got there was by car,  
Even though it was in walking distance  
The time we played Family Feud it was almost bedtime,  
**And it was the Burgess' VS the Chapmans, the**  
Next day we went home.  
Under the roof of my car I was playing on my tablet.  
Now I know what Tanunda is like.  
Driving home was so boring,  
At home I felt great sleeping in my bed.

## Sally's party by Chloe

### I went to Sally's party

When we got there we  
Entered the house.  
Next we went into the room we were sleeping in.  
Then we all made our beds.  
The kittens had grown so much  
Our teepees were  
So cute.  
All of us were so happy  
Lots of laughter  
Lots of fun  
Yay!  
So little sleep.  
People chatting.  
Roaring laughter  
Too many lollies  
Yay! So much fun.

## Vanna's Slime poem

I love the texture of slime,  
Mine felt unique  
And smooth  
Dad and mum also really liked the texture  
**Even though they don't like slime in**  
general  
The way I made it, was really messy  
**Hallelujah it worked! But .....**  
**Running around the shopping centre like mad wasn't fun!**  
Exploring two shopping centres just to find the right ingredients!  
**Even when I looked in two shopping centres I couldn't find**  
Elmer's glue  
Slime is very hard and rubbery if you over activate it!  
Little did I know that I bought the wrong clear glue!  
I love the colours that I made  
**Many people don't have the privilege to make slime**

## Dionn's Latitude Poem

I went to Latitude  
We got there at 10:00 am  
Eventually we got our socks on and started jumping  
Now we are jumping as high as a kite.  
Twisting and turning as I jump  
Tumbling down as I jump so high.  
Omg I am climbing so high, I'm scared I might die.  
Latitude is amazing I say to myself  
Amazing, amazing, amazing  
Time to go my dad says  
I am very sad.  
Tonight I will be as sick as a dog  
Upon my bed I lay as tired as a sloth.  
Dionn go to sleep I say to myself  
Easing off to sleep

## I got a pool dug - By Henry

We got a pool dug.  
Early in the morning came two trucks,  
Got to work straight away,  
Oxygen started getting dusty,  
Tomorrow the hole will be done,  
And we will have a massive,  
Pool hole in our backyard.  
Occupied the pool will be,  
Overjoyed everyone will be  
(apart from my dog Jindi).  
Lying next to a lemonade,  
Diving into the shade,  
**Upcoming events won't change the deadline,**

## ROOM 19 POETRY

### Port Noarlunga Beach By Indy

I went to Port Noarlunga beach.  
Walking along we spot an ice cream with a peach.  
Even though my mum wanted a paddle pop she agreed to have an ice cream delight.

#### **Now we bought the ice cream I asked what's for tea tonight?**

Tick tock time goes by as we eat the ice cream delight.

The trees were waving around side to side.

On the hot sand I run as my toes burn.

Port Noarlunga beach is such a blast.

Omg soon this will all be in the past.

Running, running back to my mum.

Time keeps flying—I'm about to start crying.

#### **Now let's walk to the shops and have a look.**

#### **Omg I hope there's a good book.**

After a while I get a bit bored.

Resting down upon a comfortable seat.

Life is such a great treat.

Never ever will I want to get up.

Get up Indy my mum calls.

#### **Ah I'm comfortable I yell right back**

But we need to leave, time ran so quick.

Even if I was so comfortable I understood we had to go.

As I walk to the car I wish we never had to go.

Come on get in the car my mum yells.

### I Went Shopping by Sarah

I went shopping.

We went by car.

#### **Even my sister didn't know time**

travelled so far.

Not a simple Kmart, something much

better,

Too much more exciting than reading a special letter.

So much fun,

Hey, I just wanted to run!

Oh, oh, oh, look at that!, look at that!

People are looking at fancy hats!

People also are looking at cats!

I, instead just want to look at something fun!

Now, how about we just look at that solar powered

### I went to Latitude by Angus B

I went to Latitude

We had lots of fun!

Everybody was talking or yelling

Nobody was quite

The trampolines were so bouncy

The chicken nuggets and chips were yummy

Our legs were so sore afterwards

Latitude was excellent and awesome

A person got told off

The grape Powerade was delicious

I got stuck in the foam pit

The slushy was strawberry and coke

Unusually there was hardly anyone there

Dodgeball was hard because there was teens playing

Eating chicken nuggets was great

## SAPSASA News

I would like to congratulate all the Year 4, 5, 6 and 7 students who were actively involved in this years Adelaide South East SAPSASA Interschool Athletics Championships which were on Monday 4th September. Taking over 50 students to SANTOS Stadium takes a lot of time, effort and energy and all of our BFPS students were up to the challenge to compete against other amazing athletes in our SAPSASA zone.

Children who are 10, 11, 12 and 13 years of age have the opportunity to participate in TRACK ( 100m, 200m, 800m, 1500m and the 4 x 100m relay ) and FIELD ( High Jump, Long Jump, Shot Put and Discus ) events throughout the day. It's always exhausting competing, cheering and supporting friends for over 5 hours, but extremely rewarding to see so many children and families come together as one for our schools largest SAPSASA event of the year.

As always I appreciate the incredible help and assistance from the many parents who helped out in the "Girls Long Jump" area throughout the day. Your support is vitally important and helps Liz Galloway and myself to focus our attention on each and every child that needs our guidance and coaching on the day.

A special mention must go to Chloe P, Seth M, John D and Jonah Z as they were our only four students who made it through to this year's 2017 State SAPSASA Metro Athletics Championships on Tuesday 26th September. This event highlights South Australia's finest athletes and Chloe, Seth, John and Jonah can be extremely proud of their achievements to get to this annual event.

## Enrolment Intention and Class Placement 2018

The school is about to start the process of allocating students to new classes for 2018

It is only after Enrolment Intention and Class Placement Forms are returned that we can generate an enrolment estimate for 2018 and determine the number of classes and teachers required in 2018

Therefore, parents of students in Reception to Year 6 are asked to complete the attached **Enrolment Intention and Class Placement Form** and return it to the Front Office by **Friday October 27, 2017**.

During the process of class placement, we do the very best we can to strive for the best possible learning outcomes for all. Information from students and parents combined with input from the teaching staff is used to place students in classes. We strive to create balanced groups that have the potential for students to successfully learn together. We make sure that all students have at least one friend in their 2018 class. We take into consideration:

- Friendships and group dynamics
- Sibling and broader family relationships
