- Wednesday June 20 – School Photos
- Saturday June 23 – Year 3 Family Camp at Banrock Station
- Thursday July 5 – Mid Year Reports go home
- Friday July 6 – Term ends at 2.10PM

TERM 1 NEWSLETTER No. 6—12th April 2018

Forest Avenue Reserve Drop-Off Zone

Over the last term, we have been trialling a drop-off zone at the Forest Avenue Reserve with staff supervision before and after school. While a number of families have been using this area, unfortunately the implementation of the full drop-off zone, including changes to the parking arrangements has been delayed. In light of this, this area will not be supervised as a drop-off or pick-up area in Term 2 until the development progresses further.

Children's University Program

Over the last two years, Black Forest Primary School has participated in the Children's University program. Offered to students in Years 3-6, this program acknowledges the learning that students engage with outside of the classroom, including through sports, lunchtime clubs, participating in learning at museums or libraries and other activities. In order to support its continuation in 2018, we are seeking a parent volunteer to assist with the management of the program. Tasks would include communication with program participants as well as periodically auditing the hours students have achieved. Please contact joel.catchlove402@schools.sa.edu.au if you may be able to assist.

Good luck to all the teams in tomorrow's Sports Day. We would also like to wish all families a safe and happy break and we look forward to seeing you in Term 2.

Senior School Surfquatics

On 4th and 5th April in Week 10 the students from Room 6, along with the rest of the Senior School, went to Surfquatics at Glenelg Beach, run by Glenelg Surf Live saving Club.

We participated in a range of beach and surf activities such

- Surfing
- Flags
- Tube rescue
- Surf safety education
- Life saving
- Mini carnival

as...

We learnt many things.

I learnt to surf and it was great fun. Tayte

I learnt what Dr ABC was and how to help people. Ellie

I can now identify a rip and the different types of rips there are. Amelia

In Surfquatics, I learnt how to balance on the boogie board instead of falling off. Iyob

I learnt how to save someone from drowning. Theo

I learnt that it is unsafe to jump from a jetty and to always check the water depth before jumping into it. Chloe

I learnt to perform CPR. Ajax

I learnt how to treat jellyfish stings. Imogen

I learnt how to save someone with a flotation device. Savvas

Surfquatics was great fun

I really enjoyed catching the small waves because you would go really fast. Marvin

I found it interesting when we learnt how to tell if it was high or low tide by the wind. Adam

I really enjoyed the flag racing because it was very different running on sand. Jaime

I really enjoyed playing beach and water flags because it helped my reaction time and fitness. Aiden

I loved it when a wave came and you got pushed along. Nicola

I loved the relays and the races. Amishee

Our Opinion of Surfquatics.

The Surfquatics course was a fun way to be educated about water safety. Zoe

This was an extremely fun and enjoyable course and it was definitely suitable for my age. Caleb

We learnt many things from the instructors. Jane

This was a great experience with all the other Year 6/7 students. Vani

I think Surfquatics was a great way to learn about beach activities and water safety. The instructors were kind and happy to help. Ahnaf

Surfquatics was challenging and I enjoyed doing a range of fun activities. Lachlan

We learnt a lot of things which increased our awareness of the beach. Eze

Sports News

Cricket

It's been a busy but successful term of Cricket at Black Forest. Our team of Year 6/7 players recently won our regional T-20 PRIMARY SCHOOLS CUP carnival and will now have an opportunity to play at Adelaide Oval in November. The boys played incredibly well in all games and made an average of 220 runs. This team has also made it to Round 3 in K.O SAPSASA cricket and will play this game against Sacred Heart in early term 4. Thank you for all of your efforts as you continued to show your class, skill and team first approach in each and every game.

Football

Congratulations to Lachlan A, as he has just made it into this years Adelaide South East District SAPSASA football team. As coach of this team it is always extremely difficult to pick this team from year to year as the quality of young players is outstanding. Special mention to Daniel B (Year 6) as he will be our first reserve and may have an opportunity to play due to illness or injury. I must also acknowledge the other boys who came out to all 3 trials and thank Michael F, Jackson B, Brady A, Daniel Mc and Angus M for getting involved with 50 other boys in our zone.

Swimming

3 incredible swimmers from Black Forest represented our school and district at this years State Swimming Carnival. It's the first time our school has sent so many students to this annual event and hope that our school continues to develop great swimmers in the future. Congratulations to Fletcher T, Angus M and Henry S. Your hard work and training has helped you reach your personal goals at a very high level.

Softball

Great news with Ajax W-S and Mark G making it into 2 country SAPSASA softball teams in week 11. Unfortunately our SAPSASA zone doesn't offer our boys an opportunity to play softball, but thanks to a few close contacts they found a few spaces to get involved, meet new friends and have an amazing week at this years State Softball Carnival. I'll be pleased to pass on more information in my next newsletter and share their stories with our wider community.

Netball

Our school is delighted to announce that Isabel G has made it into this years Adelaide South East District SAPSASA Netball team. Isabel is a committed netball player who enjoys the game and has continually improved and developed her skills over many years. Her family have spent many hours watching her train and play and I know that she is extremely excited and eager to play in late May. Good luck, congratulations and all the best during 5 days of amazing netball at the State Championships.

Football

Finally, I must applaud the sensational efforts of 11 young girls who won this years regional girls only "CROWS CUP" AFL competition. This event was held at the West Adelaide Football Club and gave our students a chance to compete against other brilliant young footballers in our zone. All girls will now represent our school at half time of this weeks AFL CROWS v COLLINGWOOD game at Adelaide Oval. Their excitement was deafening and the tears of joy were real. Please watch and cheer Amelia A, Tayte N, Mia F, Jessica G, Isabel G, Tilly P, Ruby W, Millie A and Layla C as they play another amazing game on the BIG STAGE. Unfortunately 3 girls will be away but we thank Bella K, Abby E and Ayesha A for their efforts, enthusiasm and excellence at the carnival.

Marc Zinndorf

R-7 Physical Education Teacher and SAPSASA Coordinator.
